End of the Year Letter

Greetings Euclid Prep families,

As the school year comes to a close, we want to take a moment to express our heartfelt gratitude for your unwavering support and collaboration. It has truly been a remarkable year filled with growth, learning, and memorable experiences. We are so proud of our school community and the incredible efforts of our students, families, and staff.

On behalf of the school, we would like to extend a sincere thank you for entrusting us with the education and well-being of your children. Your dedication to their success has been instrumental in creating a positive and nurturing environment that fosters growth and achievement.

As we transition into the summer break, we want to remind you that our commitment to supporting our families continues beyond the classroom. We recognize the importance of maintaining a strong connection with our community during this time, and we have several resources and events planned to keep us engaged and connected throughout the summer months.

We have partnered with local organizations and community resources to provide various programs and activities that cater to different interests and needs. These initiatives are designed to support the holistic development of our students and families. Some of the resources and events you can look forward to include:

1. Summer Enrichment Camp: Students were selected by their teacher to participate in the summer enrichment camp. This camp will cater to students that need more individualized support in reading and Math. If you would like your scholar to be added to the program, please reach out to the school.

2. Community Sports Clinics: Stay active and healthy by participating in our community sports clinics. These clinics will provide an opportunity for students to develop their athletic skills and enjoy the benefits of physical activity while fostering teamwork and sportsmanship.

3. Family Cultural Festivals: Embrace the rich diversity within our community by attending the Euclid community family festivals. These events will celebrate various cultures and traditions through performances, food, and art, fostering an appreciation for our collective heritage.

4. Parent Workshops and Support Groups: We understand that parenting can sometimes be challenging, and we want to ensure you have the necessary support. We will be offering workshops and support groups throughout the summer to address various topics and provide a platform for parents to connect and share experiences

Principal Goss End of the Year Letter

These are just a few examples of the resources and events we have planned for the summer. We will be sharing more details, including dates and registration information, through our school website, email newsletters, and social media platforms. We encourage you to stay connected and take advantage of these opportunities to strengthen our school community bonds. Once again, thank you for an incredible year. Your continued partnership and support are invaluable to us. We wish you all a safe, enjoyable, and rejuvenating summer break.

Yours in Education,

Darlene Goss
